All detached villas have their own unique design, so every one is different. Plots have approved projects to build two-storey, detached villas with living areas from 180m² and include a double garage and a private pool. You can tailor-make your interior during the build, working with the local architect. Located very close to Lagos and the marina - these villas have every amenity nearby. Estimated complete build time is 12-15 months. Prices start from 795,000 subject to specifications and extras.
